LEVEL 4 Diploma in Business

L4DB

***Equivalent to the First Year
of bachelor Degree in the UK***

Studying Level 4 Diploma in Business, students gain a comprehensive introduction to the diverse and dynamic world of international business. This qualification blends academic theory with practical, vocational insights across a broad spectrum of subjects—equipping learners with the essential knowledge and transferable skills needed for success in both further education and the global business landscape.

Upon successful completion, students can progress to the NCC Education Level 5 Diploma in Business (L5DB) at Britain International Academy, continue their studies at a UK university, or pursue career opportunities across various sectors of the business world.

EQUIVALENT TO THE FIRST YEAR OF A BUSINESS DEGREE IN THE UK UNIVERSITY SYSTEM

The NCC Education Level 4 Diploma in Business (L4DB) offered at Britain International Academy is a fully regulated qualification, forming the foundational first year of the NCC Education Business Degree pathway. It is academically equivalent to the initial year of a UK university business degree, providing learners with a solid grounding in core business principles.
