LEVEL 4 Diploma in Computing with Business Management

L4DC BM ‹‹

***Equivalent to the First Year
of bachelor Degree in the UK***

The Level 4 Diploma in Computing with Business Management (L4DC BM) at Britain International Academy marks the first stage of the NCC Education degree pathway and is academically equivalent to the initial year of a UK university IT degree.

This qualification offers students a balanced curriculum of academic and vocational subjects, designed to cultivate critical thinking, effective study habits, and foundational expertise in both IT and business. Learners will gain hands-on experience in developing computer systems, networks, databases, and websites within a business framework, while also building a strong understanding of commercial environments and operational needs.

EQUIVALENT TO THE FIRST YEAR OF A COMPUTING DEGREE IN THE UK UNIVERSITY SYSTEM

Britain International Academy offers NCC Education Level 4 Diploma in Computing with Business Management (L4DC BM) is a UK Ofqual-regulated qualification that represents the first year of a Computing or IT degree pathway. It is academically equivalent to the initial year of a UK university degree in IT.

CREDITS: 120
