LEVEL 5 Diploma in Business

L4DB

***Equivalent to the Second Year of
bachelor Degree in the UK***

The NCC Education Level 5 Diploma in Business (L5DB) is a regulated qualification that marks the second stage of the NCC Education degree pathway. Designed to build on the foundational knowledge gained in the Level 4 Diploma in Business (L4DB), this program introduces students to more advanced and nuanced topics across core business disciplines, including economics, marketing, finance, and management.

Through a thoughtfully balanced curriculum of academic theory and vocational insight, learners develop the strategic thinking, analytical skills, and practical know-how required to thrive in dynamic business environments. The qualification not only deepens subject expertise but also fosters the confidence and adaptability needed to contribute effectively to organisational success.
