SCHOOl OF BUSINESS RESEARCH

MEET OUR CEO

Abdul Aziz Ali Fahad Al Duwailah

At the Britain International Academy, we are dedicated to providing quality education to our students which will inspire them to become lifelong learners while contributing productively towards the ever-evolving professional and academic landscape. We aspire to not only instill crucial technical skills in our students, but we also aim to provide them with a platform where they can freely express their ideas in a classroom and gain valuable feedback from their teachers and peers. Through our modern, enriching and balanced curriculum, we recognize the social, personal, and cognitive abilities of all learners, ensuring success for each individual.

Our prime purpose is to make our teachers feel empowered and as an organization, we aspire to soar the heights of excellence in providing exemplary qualification to people of all age groups. As an academic institution, BIA strives to nurture strong talents, polish skills, empower new leaders, build critical thinking abilities, while building strong characters. If you, your family member, friend, or loved one decides to enroll at the Britain International Academy, we are sure you will find a positive academic environment with thoughtful and energetic teachers who are determined to support the growth of their students. Our standard intention is to build competent learners equipped with crucial corporate skills as they pave their way towards a successful career path upon completing their educational pursuits with us.

Inspiring students to become lifelong learners.

Atif Sohail Aslam
Director Academics

Every
person
has the
right to
attain
education
and
become
successful.

Our most crucial goal is to develop individuals who possess the necessary corporate and technical skills to follow their dreams, goals, and aspirations while impacting the society positively. What distinguishes BIA is our commitment to providing high-quality instruction and education in classrooms, as our standards conveniently align with those that promote 21st-century learning skills.

At BIA, we continue to embrace the best educational and innovative strategies in the engaging learning environments to prepare our students for the professional world. Together, we are a community that thrives on mutual respect, understanding, and a shared passion for education. We provide a delightful and invaluable environment within which our students can experience opportunities beyond the four walls of a classroom.

Jatinder Pal Singh
Director Finance

Building
strong
personalities
and
nurturing
sharp minds.

No matter who you are or where you come from, Britain International Academy's doors will always be open to welcome you as you aspire to become an educated individual and serve a crucial part in this ever-evolving society. We aspire to build comprehensive, challenging, immersive, and appealing learning experiences for our students that encourage leadership, creativity, and curiosity.

At BIA, we believe that leadership skills are a crucial aspect of every youngster's success, and these skills are instilled in our learners through contemporary, innovative, and refined curriculums.

Britain International Academy

Since 2016, Britain International Academy is dedicated to developing the next generation of leaders, thinkers, and change-makers through its commendable academic programs designed for the needs of a diverse group of students across all age groups and professions. Located in Salmiya, Kuwait, the Britain International Academy offers its students a dynamic, friendly and collaborative campus culture.

With a focus on business management, business IT, computing, and more, we are delighted to offer accredited certificates, diploma and degree programs. By keeping up with the current educational standards, the Britain International Academy has partnered with universities and academic institutions globally, through NCC Education, IDM, Exceed College, OTHM and London Campus of Higher Studies, e.g. University of Gloucestershire, the University of Central Lancashire, University of Greenwich, Western International College Online, University of Bolton, Plymouth Marjon University, Orange County University. Whether you're a working professional, or a high school graduate, BIA welcomes everyone without any discrimination.

We aspire to build critical thinkers, leaders, professionals, and entrepreneurs through offering foundation, undergraduate, graduate, and professional development diplomas and certification courses. We also offer short duration training for soft skill development, business communication, Languages training, Cisco, and Microsoft, CompTIA courses along with many profession courses of Adobe and Autodesk for students to upskill in their career or learn new professional skills. Our main vision is to empower students to build a solid professional and educational foundation, while paving a robust pathway towards success.

Britain International Academy's mission is to cultivate academic excellence and critical thinking skills. Our crucial objective is to emphasize the importance of challenging students intellectually while promoting social and emotional development. Our mission is to provide learners with an in-depth, differentiated and a cohesive program in accordance to the global educational standards. BIA strives to maintain its commitment to excellence through highly engaged teachers who are focused on honing learner's outcomes, through various teaching methodologies, quality mentoring, and peer collaborations.

Level 2 Pre Foundation Diploma

L2PFD

معهد بريطانيا للتعليم الأكاديمي للتدريب الأجنبي

BRITAIN
INTERNATIONAL ACADEMY

Credits: 60

6 core Units

Mode of Study: In-Class

Assessments: By either written examination or assignment

Duration: 1 Year

Intakes: Jan, Mar, Jun, Sep

Entry Requirements

Grade 8th pass or any equivalent qualification may be accepted for entry to this program from an approved awarding bodies.

Level 2 Pre Foundation Diploma

An Endorsed Program by NCC Education UK

A valuable preparation qualification which allows candidates to demonstrate their English language skills (both general and academic) together with key transferable study skills and mathematical understanding, as well as an understanding of the essential concepts of business and economics (Business electives), the essential concepts of computing and programming (Computing electives)

Course Outline

To complete the qualification a student must study and pass units to the total of 60 credits

6 Core Units:

Computer Science | Mathematics | Introduction to Business | English Literature
English Grammar | General Science

L2PFD

WHAT'S NEXT?

Successful candidate can take admission into NCC Education Level 3 International Foundation Diploma for Higher Education Studies (L3IFDHES), which is an Ofqual regulated qualification, one-year pre-university qualification developed by UK academics to help you progress successfully to undergraduate study.

4 core Units + Elective Units

Mode of Study: In-Class

Assessments: By either written examination or assignment

Duration: 1 Year

Intakes: Jan, Mar, Jun, Sep

Entry Requirements

NCC Education Level 2 Qualifications or any other equivalent qualification may be accepted for entry to this program from an approved awarding bodies.

Pre-University Bridging Qualification

The NCC Education Level 3 International Foundation Diploma for Higher Education Studies (L3IFDHES) is an Ofqual regulated qualification. It is a one-year pre-university qualification developed by UK academics to help you progress successfully to undergraduate study.

Course Outline

To complete the qualification a student must study and pass units to the total of 120 credits* based on IELTS score and desired career pathway:

4 Core Units:

Developing English Language Skills | English for Academic Purposes
Maths for University Study | Research and Study Skills for University Study

Elective Units

Introductory Accounting | Introductory Economics | Introduction to Programming with Python | International Business | Introduction to Computer Science | Digital World

L3IFDHES

WHAT'S NEXT?

Students that complete the (L3IFDHES) can; Enrol onto the following NCC Education programs (equivalent to Year 1 of a UK bachelor's degree):

- Level 4 Diploma in Business (L4DB) | Level 4 Diploma in Computing (L4DC)
- Level 4 Diploma in Computing (with Business Management) (L4DC BM)

OR

NCC Education are recognised by over 80 universities and institutes in the UK, Australia, Canada, Cyprus, Ireland, France, Germany, Japan, New Zealand and the USA. Students are also eligible to apply to several international branch campuses, including campuses in China, Malaysia, Mauritius, Singapore, UAE, Uzbekistan and Vietnam.

Level 4 Diploma in Computing

L4DC

معهد بريطانيا انترناشيونال أكاديمي للتدريب الأهمي

BRITAIN
INTERNATIONAL ACADEMY

Credits: 120

5 Core Units + 3 Specialist Units (L4DC)

Mode of Study: In-Class

Assessments: By either written examination or assignment

Duration: 1 Year

Intakes: Jan, Mar, Jun, Sep

Entry Requirements

NCC Education Level 3 Qualifications or any other equivalent qualification may be accepted for entry to this program from an approved awarding bodies.

Level 4 Diploma in Computing (L4DC)

The NCC Education Level 4 Diploma in Computing (L4DC) is an Ofqual regulated qualification. The qualification (with specialisms) makes up the first year of a Computing/ IT degree pathway. The qualification is equivalent to the first year of an IT degree in the UK university system.

Course Outline

To complete the qualification a student must study and pass
5 Core Units + 3 Specialist Units (L4DC)

5 Core Units:

Algorithms and Mathematical Concepts for Computing | Computer Networks | Computer Systems | Databases
| Front End Web Development

3 Specialist Units (Mandatory)

Object-Oriented System Analysis and Design | Software Engineering | Designing and Developing
Object-Oriented Computer Programme

L4DC

WHAT'S NEXT?

The qualification allows students entry to either the NCC Education Level 5 Diploma in Computing, (which is equivalent to the second year of a UK Bachelor's degree), or the second year of many UK university degree courses, or enables you to pursue a career in the IT industry.

Level 4 Diploma in Business

L4DB

معهد بريطانيا للتعليم الأكاديمي للتدريب الأجنبي

BRITAIN
INTERNATIONAL ACADEMY

Credits: 120

8 Core Units

Mode of Study: In-Class

Assessments: By either written examination or assignment

Duration: 1 Year

Intakes: Jan, Mar, Jun, Sep

Entry Requirements

NCC Education Level 3 Qualifications or any other equivalent qualification may be accepted for entry to this program from an approved awarding bodies.

Level 4 Diploma in Business (L4DB)

The NCC Education Level 4 Diploma in Business (L4DB) is a regulated qualification. It makes up the first year of the NCC Education Business Degree journey. The qualification is equivalent to the first year of a business degree in the UK university system.

Course Outline

Students must study the following eight core units:

8 Core Units:

Essentials of Management | Fundamentals of Economics | Communications for Business | Understanding Business Organisations | Business Mathematics | Introduction to Finance | eBusiness | Principles of Marketing

L4DB

WHAT'S NEXT?

On successful completion of the qualification students will be able to continue their studies on the NCC Education Level 5 Diploma in Business (L5DB) or at a UK university, or work in one of the many areas of the business world.

L4DC (BM)

معهد بريطانيا للتعليم الأكاديمي للتدريب الأمتي

BRITAIN
INTERNATIONAL ACADEMY

Credits: 120

4 Core Units + 3 Specialist Units + 1 Elective Unit (L4DC BM)

Mode of Study: In-Class

Assessments: By either written examination or assignment

Duration: 1 Year

Intakes: Jan, Mar, Jun, Sep

Entry Requirements

NCC Education Level 3 Qualifications or any other equivalent qualification may be accepted for entry to this program from an approved awarding bodies.

Level 4 Diploma in Computing (Business Management)

The Level 4 Diploma in Computing (with Business Management) (L4DC BM)) (previously the Level 4 Diploma in Business Information Technology (L4DBIT)) makes up the first year of the NCC Education degree journey. The qualification is equivalent to the first year of an IT degree in the UK university system.

Course Outline

To complete the qualification a student must study and pass
4 Core Units + 3 Specialist Units + 1 Elective Unit (L4DC BM)

4 Core Units:

Computer Networks | Computer Systems | Databases | Front End Web Development

3 Specialist Units (Mandatory)

eBusiness | Essentials of Management | Understanding Business Organisation

1 Elective Unit

Algorithms and Mathematical Concepts for Computing

L4DC BM

WHAT'S NEXT?

On successful completion of the qualification students will be able to embark on NCC Education's Level 5 Diploma in Computing with Business Management (L5DC BM), which is equivalent to the second year of a UK Bachelor's degree, transfer to a university or pursue a career in the IT industry.

Graduate from the University of Central Lancashire (UCLan)

The BSc (Hons) Business Computing and Information Systems Top-up Degree is delivered online by NCC Education, validated and awarded by the University of Central Lancashire (UCLan). This programme has been designed to prepare students for employment in the IT sector.

Entry Requirements

Students worldwide with the following qualifications are welcome to enrol today:

- ▶ NCC Education Level 5 Diploma in Computing (L5DC)
- ▶ NCC Education Level 5 Diploma in Computing with Business Management (L5DC BM)
- ▶ Any similar qualification approved by NCC Education and UCLan

Qualification Structure

Students study five core units:

- ▶ Advanced Database Management Systems
- ▶ Corporate Communication Systems Management
- ▶ eBusiness
- ▶ Managing Information Systems Projects
- ▶ Information Systems Project

What's Next?

On completion of the BSc (Hons) Business Computing and Information Systems Top-up Degree, graduates are eligible to apply for postgraduate and master's degree study at institutions across the world.

NCC Education has recognition with over 70 universities in the UK, Ireland, Canada, USA and Australia, for students who want to complete their degree overseas at an international university campus. These provide university progression routes enabling students to further their study and career choices.

METROPOLITAN
UNIVERSITY

IN PARTNERSHIP WITH **NEXT**

Graduate from the London Metropolitan University

This Bachelor of Science will teach you everything you need for a successful career in computing from programming and information systems to modules in mobile applications and artificial intelligence. Studying Computer Science from a university in the heart of London, one of the world's leading technological hubs, your degree will have global recognition and you'll have access to cutting-edge knowledge and state-of-the-art resources. With London Met, you will study the full program that is offered at the University in London, with 100% of content and qualification coming directly from the University. Created specifically to enhance your employability, you'll develop your skills, gain experience working on real-life projects connected to business and industry.

Entry Requirements

Students worldwide with the following qualifications are welcome to enrol today:

- ▶ NCC Education International Advanced Diploma in Computer Studies (IADCS)
- ▶ NCC Education Level 5 Diploma in Computing (RQF) (L5DC)
- ▶ NCC Education Level 5 Diploma in Computing with Business Management (RQF) (L5DC BM)
- ▶ Equivalent qualification agreed in advance by the University of Greenwich and NCC Education

Qualification Structure

- ▶ Artificial Intelligence and Machine Learning | 15 Credits

Qualifications

University of
Central Lancashire
UCLan

Graduate from the University of Central Lancashire (UCLan)

The BSc (Hons) Cyber Security and Networking top-up degree is delivered online by NCC Education and is a natural progression from our Level 5 Diploma in Computing with Cyber Security. This final year is awarded by the University of Central Lancashire (abbreviated UCLan).

The programme aims to equip graduates with the knowledge, technical and interpersonal skills necessary for taking part in the design, implementation, management and security of modern computer systems.

Entry Requirements

Enrol with one of the following qualifications:

- ▶ NCC Education Level 5 Diploma in Computing with Cyber Security (L5DC (CS))
- ▶ Pearson Higher National Diploma (HND) in Computing (Network Engineering)
- ▶ Pearson Higher National Diploma (HND) in Computing (Cyber Security)
- ▶ Any similar qualification approved by NCC Education and UCLan

Qualification Structure

Students study five core units;

- ▶ Advanced Database Management Systems
- ▶ Corporate Communication Systems Management
- ▶ Cloud and Virtualisation Security
- ▶ Cyber Security Management
- ▶ Information Systems Projects

What's Next?

With the relevant management experience, graduates of the programme are also eligible for entry onto the Level 7 Diploma in Business Management (L7DBM) awarded by NCC Education and now available online or face to face. Upon successful completion of the L7DBM, students are able to progress onto a number of MSc qualifications. Alternatively, graduates can continue their studies with the University of Central Lancashire by entering onto a number of related MSc programmes.
