- Examination papers are released by NCC Education via [NCC Education Quartz Web Portal > Live Assessments](#) for Centres to download 24 hours (1 working day) ahead of the examination date. Attendance Registers are available to download via [NCC Education Quartz Web Portal > Centre Reports](#).
- Marking Schemes for the [Local Examinations](#) will be released via [NCC Education Quartz Web Portal > Live Assessments](#) for Centres to download.
- Request for Remote Invigilation due to Exceptional Circumstances are subject to NCC Education's approval. **This MUST be requested via [NCC Education Quartz Web Portal > Centre Requests](#) and approved in advance by NCC Education.**

NCC Education Examinations should be scheduled according to these principles:

- [Local Examinations](#) (and [Controlled Assignments for the Level 2 Award in Computing](#)) can be scheduled at any time between 9:00AM and 9:00PM on any date during the Assessment week for Local Examinations.
- [Global Examinations](#) must be scheduled in accordance with the dates and times published in the Exam Timetable.
- A candidate may have two examinations in one day. Where candidates have more than one examination in a day, the total number of hours of examinations in any one day will not normally be more than four hours (i.e. if you have a 3-hour examination and 1-hour examination or two 2-hour examinations but not 2 x 3-hour examinations).
- Where candidates have an examination in the evening (i.e. finishing after 5:00PM), they will not have an examination before 9:00AM the following morning.
- If candidates have two examinations on one day, the minimum period of time between examinations will be 90 minutes.
- Examinations must be conducted in accordance with the [NCC Education Examination and Assessment Instructions](#) available on the NCC Education website (<https://www.nccedu.com/>) for Centres to download: [Homepage > About Us > Policies & Procedures](#).
